## Banyuwangi - East Java Tours

Banyuwangi 3 Days/2 Nights

**Banyuwangi** is a paradise for travellers near Bali Strait. Became the first place in Java Island exposed the sunlight, Banyuwangi more known as The Sunrise of Java. Banyuwangi has diverse natural scenery, rich art, culture, customs and traditions. The beauty of nature is spread across Banyuwangi from the west to the east. Mountains, forests and beaches mark the landscape of the Regency. Find a mountain that has an amazing turquoise-colored crater and natural phenomenon blue fire, which is one of the only two in the world.

### DAY 1, Banyuwangi Arrival – Alas Purwo and Merah Island - Hotel

Your trip from Bali to Banyuwangi will transport by Exclusive Bus from Gilimanuk Bali Harbor and continue by Ferry crossing to Ketapang Banyuwangi Harbor. Upon your arrival at Ketapang Harbor, your assigned guide will be waiting at the arrival meeting point to directly escort you to your hotel. We will transport you to the Alas Purwo. Alas Purwo Park is situated on the Blambangan Peninsula in the Banyuwangi regency, at the southeastern-most tip of East Java, on a peninsula directly facing the island of Bali.

The Park is made up of mangroves, Savanna, lowland monsoon forests and coral-fringed beaches. The Park is considered to have the most natural tropical rainforests and one of the oldest in Indonesia. Thousands of migrating birds visit its pristine forests each year and turtles come to lay their eggs on its secluded beaches. The next trip we will transport you to Merah Island We will serve the dinner at the resort. Meanwhile, lunch will be provided during the trip. The rest of the day is free on your own leisure in the hotel.

### DAY 2, Full Day Sightseeing Tour to Kaliklatak Agro Tourism , Gombengsari , and Sanggar Genjah Arum

After breakfast at the hotel, our first trip to Kaliklatak. Kaliklatak is not the name of a creek or river, but the name of a plantation located in Banyuwangi. In this place, you will see the natural and fertile environment, beautiful, and fascinating view. The next trip, we will continue to Gombengsari agro-tourism. Entering the Gombengsari village, you'll see lots of coffee plantation on your left and right side, along with many coconut trees. Besides famous for their coffee, Gombengsari is also famous for its coconuts. Villagers will greet you and often will make you try their homemade coffee for free. The last trip, we will take you to Sanggar Genjah Arum. You will be known about the indigenous village in Banyuwangi. At Sanggar Genjah Arum, we can see a miniature of Osing village with several houses (typical Osing homes) re-built from original woods and other materials from the past. They have a traditional way to roast coffee from the area. Their brand is Kopai Osing, already famous for its unique taste. Lunch will be provided during the trip. Meanwhile, the dinner will be served at the hotel. The rest of the day is free on your own leisure in the hotel.

### DAY 3, Sightseeing tour to Ijen Crater and Bangsring Underwater – Back to Bali.

In the midnight (around 1 am dawn), we will be trekking to the summit of Mount Ijen to see the blue fire with a long climb to the crater of Mount Ijen 1.5 to 2 hours trekking. This phenomenon can only be seen before sunrise. At sunrise, tourists can see clearly Ijen crater lake. Lake formed from a volcanic eruption about 2500 years ago, has turquoise water. So beautiful. We will continue for breakfast at a local restaurant. After breakfast, we will back to the hotel to prepare the next trip and check out. The next trip we will continue to Bangsring underwater. Visit Bangsring Underwater, a coral reef conservation and tourism hub where you can experience various water sports including snorkelling. Dive under the sea and discover the beautiful coral reefs and colorful coral reef fish that live among them. Lunch will be provided at a local restaurant in Banyuwangi. After lunch we back to Bali, and leave Bali for next destination. Bun Voyage.
